

# REAL DUI COURT IN SCHOOLS CALIFORNIA CHANNEL CABLE BROADCAST

**MAY 1, 2008 (LAW DAY) 9:00AM – 10:30AM**

Teen driving and driving under the influence (DUI) are leading causes of death among teenagers. This live interactive statewide cable television broadcast will allow middle and high school students to view a live DUI sentencing proceeding and learn about the consequences of driving under the influence.

During this broadcast, students will:

- View and participate in an actual DUI sentencing
- Have an opportunity to ask questions of the judge, attorneys and the defendant involved
- Learn facts and statistics about DUIs
- Know the consequences of a DUI on individual drivers, crash victims, and local communities

*This program may be viewed live via cable television or  
webcast through the California Channel*
